# The Young Ones Portfolio Competition

For creative students with outstanding portfolios who want to take the next steps in building their careers, The One Club for Creativity announces an all-new Young Ones initiative.

The Young Ones Portfolio Competition is a unique opportunity for students to curate their portfolios – from class assignments to individual projects – and have them viewed by industry leaders, who help jumpstart the careers of burgeoning creative talent. Professionals are always seeking new talent for their creative departments and who knows - you may be who they are looking for!

Multidisciplinary in nature, the Young Ones Portfolio Competition spans ten different creative categories. Winners will receive a coveted Young Ones Award of Excellence and be honored at the Young Ones Awards Ceremony held during The One Club's Creative Week NYC, May 8-12, 2017. Additionally, winners will be acknowledged on our website, in our digital archives, and receive an informational interview with a leading agency or studio.
